Charades and pictionary cards

Cut out the cards and pile them face down. Split into two teams and take turns to act out or draw a card for your team, with one minute on the clock. No talking, no letters and no numbers. Most correct guesses wins.

Wrapping presents	Pulling a cracker	Building a snowman	Ice skating
Carol singers	Mince pies	Christmas jumper	Kissing under the mistletoe
Untangling fairy lights	Secret Santa	The office party	Santa stuck in a chimney
Reindeer	Advent calendar	Snowball fight	Christmas pudding on fire
Panto	Sledging	Too much turkey	Boxing Day sales
Rudolph's red nose	Decorating the tree	Writing to Santa	Hangover on Boxing Day

Cut along the lines. The same cards work for charades, pictionary or both.

Would you rather: Christmas edition

Read a question out and count down from three. Everyone points left for the first option or right for the second. Anyone in the minority explains themselves, or takes a sip.
