Games with your butler in the buff

Ready to turn it up a notch? These are some of the games our butlers can run on the night. Think of them as a menu, not a script: every game is tailored to your group and the vibe, and anyone can sit one out.

Pass the cucumber

TWO TEAMS

Line up in two rows and pass a cucumber down your line from knees to knees, no hands allowed. Drop it and it goes back to the start.

Find the plaster

TWO PLAYERS A ROUND

One hen is blindfolded while her partner sticks a plaster somewhere on your butler in the buff. She has 60 seconds to find it, using only her hands.

The balloon pop race

TWO TEAMS

Pop your balloons by squeezing each one between two people in a different saucy position, no hands allowed. Two butlers? One per team. Just one? He teams up with the bride.

Guess the butler's age

WHOLE GROUP

Ask your butler in the buff three questions, no maths allowed, then whisper your guess in his ear. Wrong guesses take a shot. Get it right and you hand one out.

Dirty little secret

WHOLE GROUP

Everyone except the bride writes down a secret for your butler to read out, one by one. The bride has to guess whose is whose.

Cheeky charades

TWO TEAMS

Act out naughty phrases against the clock while your team guesses. Your butler in the buff keeps score and adds his own commentary.

Poker face

TWO PLAYERS A ROUND

Two hens down a shot at the same time, one water and one vodka, both keeping a straight face. The group has to guess who got the vodka.

Body shots

VOLUNTEERS ONLY

The classic finale, served by your butler in the buff. They need very little explaining, and they make the best photo of the weekend.

Your night, your rules. Every game is optional and tailored to your group. Tell us the vibe when you book, from tame to wild, and the bride can veto anything on the night.
