THE OTHER HALF _____

QUIZ HOST _____

BUTLERDIRECT.CO.UK

How to play

The classic hen party game. It works for any couple, takes about 30 minutes for three rounds, and gets funnier with every wrong answer.

STEP 1 · BEFORE THE HEN

Quiz the other half

Someone close to the couple asks the other half every question in your rounds and writes their answers on the lines. Filming their answers on your phone gets the biggest laughs.

STEP 2 · ON THE NIGHT

Put the bride on the spot

Read each question out. The bride answers first, then reveal what the other half said, or play the clip.

STEP 3 · SCORING

One point per match

Tick the box every time she gets it right, then add up each round on the score sheet at the back.

STEP 4 · OPTIONAL

Forfeits

Wrong answer? Take a sip, wear the L-plates, or do your best impression of the other half. Ideas on the score sheet.

Want someone else to run it? A butler in the buff can host the quiz on the night, along with plenty more games.
